It’s time to volunteer!!

We need your contribution to make this the best fair yet!
Every family should take part in this great community event.

Below is a list of some stalls and other areas we need volunteers with details about what is required.

**Auction**
Volunteers are required to man the auction stand and assist with helping people make bids in a silent auction.

**Bouncy Castle**
The Bouncy Castle comes with an attendant, but their role is to watch the children on the castle and manage the time. We need one volunteer to take tickets and to keep the children lining up orderly and moving them on once they have finished (we will have bunting in place to assist with this).

**Books/Clothes/White Elephant (“Sweet Repeat”)**
Volunteers are required to help run the second hand stall market. Volunteers will assist will keeping the areas tidy and encouraging lots of impulse buying!!

**Car Parking**
This role is to ensure that people only use the carpark for dropping off goods and ensuring that car owners remove their cars before 8:30am. The car park attendant will be required to stand at car park entrance to turn away people that want to use the car park. There will be 2 disabled car parks that can only be used by people with a disabled parking permit. The car park attendant also needs to monitor the kiss and drop area to ensure that this space is only used by musicians/technicians who are involved in performing. A sign advising of parking restrictions will need to be displayed)

**Crockery Smash**
The Crockery Smash is a loud but fun stall to be rostered on. The attendant will need to collect money and set the crockery back up each time a person has had a go. They will also need to sweep up the crockery as they go and put it in the skip bin which is next to the stall – it is easier if there are 2 people. You will need to wear protective eye wear and ear protection (supplied). This is a stall that sets aside our fair from others… so it is really important that we fill this roster.
Cakes and Produce
Sell Sell Sell. Volunteers are required to collect money and sell lots of wonderful home-made goodies, including our fabulous Strawberry Jam. No eating the goods! – we know it will be very tempting! Items should be marked with ingredients to assist those with special dietary needs.

Cookie Decorating – Kelly Laura
Volunteers are required to assist with children decorating cookies, taking money and keeping the area clean.

Fair Central
Volunteers are required to assist people with directions and sell calendars, glasses, stubbie holders and raffle tickets. This is also a stop on the children’s trail, so the kids trail sheets need to be stamped and maybe a gift given to each trail participant.

Fairy Floss
Two volunteers are required for the fairy floss stand. The volunteer will need to ‘spin’ the floss onto the stick. Students from Craig and Connie’s class take the money on this stand. It is a messy job and it’s busy. Each volunteer will be trained by the person before them in how to use the machine.

Food Stalls: Chinese, French, Indian, Sushi, Strawberries and Cream
Volunteers are required to collect money and serve food. The food is cooked or prepared by our sensational stall coordinators.

Food Stalls: BBQ

Tattoo/Face Painting/Henna (encouraging Craig and Connie’s parent/carer group to volunteer for this)
This is really an overseeing role to ensure the students of Craig and Connie’s class are okay. You are not required to do any of the body art application, and to ensure that students who are rostered on are doing their shifts.
